FOLLOWING THE RESULTS OF THE FRIENDLY MATCH BETWEEN IC RUSSIA AND IC HUNGARY IN BUDAPEST

September 2006

In September 2006 the team of IC Russia, consisting of 6 persons – four male players of the category “55 and older” and two women of the category “45 and older”, with the Vice President and Captain of the Club of Russia, Yury Khokhlov, among them, took part in the friendly matches in Budapest, organised by the Club of Hungary.

The matches were held in Budapest, only doubles were played. The Clubs of Russia and Hungary have a tight friendly relationship for some years. IC Russia has already invited the friends from Hungary for a friendly match in Moscow within the competition RUSSIA – GERMANY – LUXEMBURG 2005, but unfortunately, the team of IC Hungary could not come at that time. Let us hope that we will be able to realize these plans in the nearest future.

Besides the magnificent tennis play, our players had an opportunity to take a walk through the ancient streets of the district Buda and to enjoy the gorgeous view of the night capital of Hungary, as well as to relax in one of the many cosy restaurants which offer the world best gulyash.

After the matches the members of the Club went to Balaton to take part in the annual European Vets Championship, where they soaked themselves in the absorbing tennis play during the next two weeks.
